ROX RESOURCES PRESENTS TO EXCELLENCE IN MINING AND EXPLORATION CONFERENCE

Base metal explorer Rox Resources (ASX: RXL) is pleased to announce that Managing Director, Ian Mulholland will give a corporate overview of the Company at the Excellence in Mining Conference this week in Sydney, New South Wales.

The event looks at investment in exploration and mining both from an Australian and global perspective and brings together mining companies, local and foreign governments, investment and professional services industries that support mining throughout Australasia.

Mr Mulholland will give the presentation at 4.20pm Eastern Standard Time on Tuesday 10 October in Ballroom A, Sydney Hilton Hotel.

A copy of the PowerPoint file will be available for download from the Company's website www.roxresources.com.au, at approximately 5pm EST immediately after the presentation.

About Rox Resources

Rox is a Perth-based exploration company exploring the Pha Luang lead-zinc project in Laos, where high grade drill intercepts of lead and zinc have been made at the Nam Yen prospect. The Company also has first right of refusal over a number of other prospective resource projects in the country.

Laos is a rapidly growing economy on the Indo-China peninsula, located close to markets in Thailand, China and Vietnam. Several Australian mining companies are enjoying outstanding success operating in Laos.
